

Greater Norwich Local Plan: Regulation 18 Consultation

Greater Norwich Site Submission Form

FOR OFFICIAL USE ONLY	
Response Number:	
Date Received:	

This form is to be filled out by any interested parties who want to promote a site for a specific use or development to be allocated in the Greater Norwich Local Plan.

Only one form should be submitted for each individual site i.e. it is not necessary for a separate form to be completed for each landowner on a single site in multiple ownerships. However, a separate form must be completed for each individual site submitted.

Your completed form should be returned to the Greater Norwich Local Plan team:

By email: gnlp@norfolk.gov.uk

Or, if it is not possible submit the form electronically,

By Post to:

Greater Norwich Local Plan Team
PO Box 3466
Norwich
NR7 7NX

The site submissions received as part of the Greater Norwich Local Plan Regulation 18 Consultation will be published and made available for public viewing. By submitting this form you are consenting to the details about you and your individual site(s) being stored by Norfolk County Council and shared with Broadland District Council, Norwich City Council and South Norfolk District Council, and that the details of the site will be published for consultation purposes. Under the (GDPR) General Data Protection Regulation Norfolk County Council will be the data controller.

Further advice and guidance can be obtained by visiting the Greater Norwich Local Plan website or by contacting the Greater Norwich Local Plan team directly:

Site Features and Constraints

Are there any features of the site or limitations that may constrain development on this site (please give details)?

7a. Site Access: Is there a current means of access to the site from the public highway, does this access need to be improved before development can take place and are there any public rights of way that cross or adjoin the site?

Access is provided from Hethersett Road. A public right of way (Hethersett FP4) crosses the site and would be retained as part of the scheme (within an area of amenity space/enhanced green infrastructure).

7b. Topography: Are there any slopes or significant changes of in levels that could affect the development of the site?

No.

7c. Ground Conditions: Are ground conditions on the site stable? Are there potential ground contamination issues?

Ground conditions stable and no ground contamination issues.

7d. Flood Risk: Is the site liable to river, ground water or surface water flooding and if so what is the nature, source and frequency of the flooding?

No.

7e. Legal Issues: Is there land in third party ownership, or access rights, which must be acquired to develop the site, do any restrictive covenants exist, are there any existing tenancies?

None that affect site delivery.

7f. Environmental Issues: Is the site located next to a watercourse or mature woodland, are there any significant trees or hedgerows crossing or bordering the site are there any known features of ecological or geological importance on or adjacent to the site?

None that affect site delivery. Existing trees and hedgerows would be retained as part of a landscape-led design.

7g. Heritage Issues: Are there any listed buildings, Conservation Areas, Historic Parklands or Schedules Monuments on the site or nearby? If so, how might the site's development affect them?

Hill Farm House (Grade II Listed) is adjacent to the site. However, the setting of the farmhouse is considered to be limited to the immediate farmyard and the field to the south-west of the farmhouse. This area to the south-west is proposed to be retained as green space, as outlined by the Concept Plan for Land off Hethersett Road.

7h. Neighbouring Uses: What are the neighbouring uses and will either the proposed use or neighbouring uses have any implications?

Residential development to the east. Agricultural land to the north, south and west. No implications for site delivery.

7i. Existing uses and Buildings: are there any existing buildings or uses that need to be relocated before the site can be developed.

No.

7j. Other: (please specify):

12c. If there are abnormal costs associated with the site please provide details:
 No abnormal costs anticipated.

12d. Do you consider that the site is currently viable for its proposed use taking into account any and all current planning policy and CIL considerations and other abnormal development costs associated with the site?	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
--	-------------------------------------	--------------------------	--------------------------

12e. Please attach any viability assessment or development appraisal you have undertaken for the site, or any other evidence you consider helps demonstrate the viability of the site.

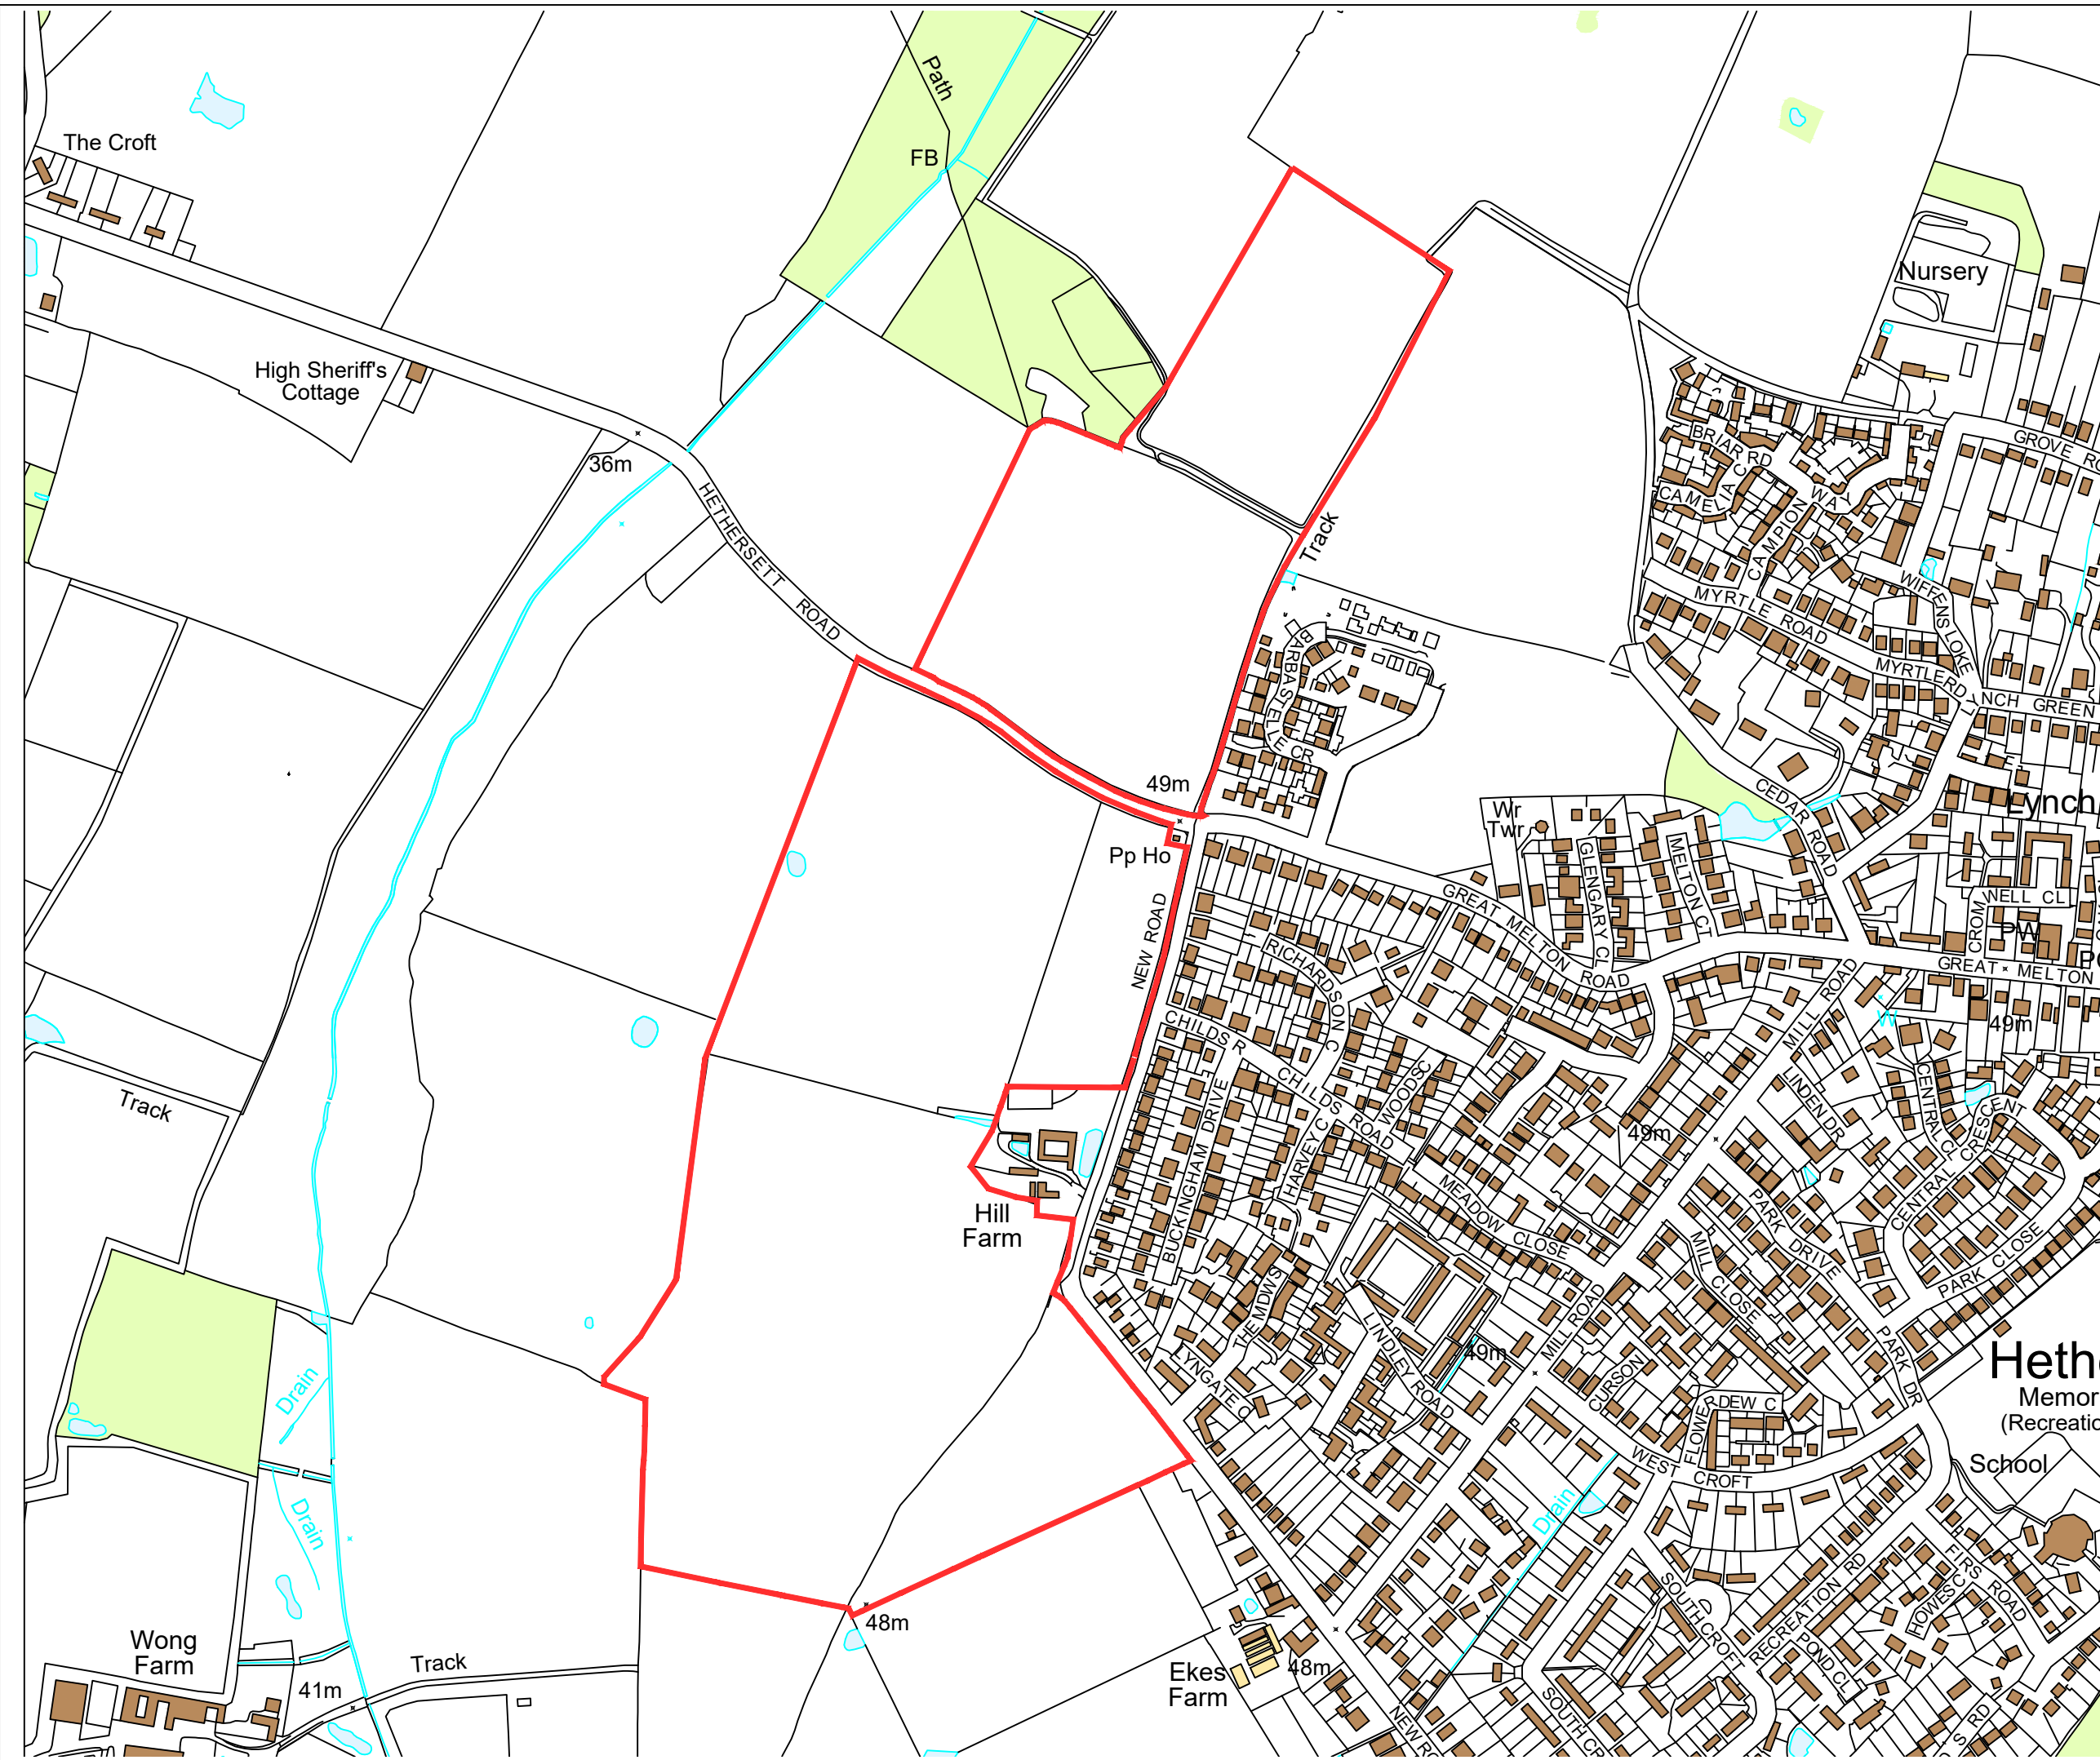

In developing the Concept Plan for the site, consideration has been given to the current planning policy requirements and these have either been accommodated or allowed for in the conceptual layout. The technical assessments have identified that there are no abnormal site conditions and that where new infrastructure is proposed this has been taken into consideration within the financial calculations.
