

## Greater Norwich Call for Sites Submission Form

FOR OFFICIAL USE ONLY	
Response Number:	0456
Date Received:	

This form is to be filled out by any interested parties who want to promote a site for a specific use or development to be allocated in the Greater Norwich Local Plan.

Only one form should be submitted for each individual site i.e. it is not necessary for a separate form to be completed for each landowner on a single site in multiple ownerships. However, a separate form must be completed for each individual site submitted.

Your completed form should be returned to the Greater Norwich Local Plan team no later than **5pm on Friday 8 July 2016**.

By email: [callforsites@gnlp.org.uk](mailto:callforsites@gnlp.org.uk)

Or, if it is not possible submit the form electronically,

By Post to:

*Greater Norwich Local Plan Team*  
PO Box 3466  
Norwich  
NR7 7NX

The responses received as part of the Greater Norwich Local Plan Call for Sites will be published and made available for public viewing. By submitting this form you are consenting to the details about you and your individual site(s) being stored by Norfolk County Council and shared with Broadland District Council, Norwich City Council and South Norfolk District Council, and that the details of the site will be published for consultation purposes.

<b>Site Features and Constraints</b>
Are there any features of the site or limitations that may constrain development on this site (please give details)?
<b>7a. Site Access:</b> Is there a current means of access to the site from the public highway, does this access need to be improved before development can take place and are there any public rights of way that cross or adjoin the site?
Existing access off A47 available but would require improvement. Alternative access available from the north. There are no public rights of way affecting the site.
<b>7b. Topography:</b> Are there any slopes or significant changes of in levels that could affect the development of the site?
The site is a restored quarry with a minor gradient. The topography would be worked into the design to provide an usual and attractive landscape for development.
<b>7c. Ground Conditions:</b> Are ground conditions on the site stable? Are there potential ground contamination issues?
The ground conditions are stable and there is no contamination issues as far as we are aware. Further investigation work can be undertaken for the avoidance of doubt.
<b>7d. Flood Risk:</b> Is the site liable to river, ground water or surface water flooding and if so what is the nature, source and frequency of the flooding?
According to the Environment Agency, the site is not within an area considered at risk of flooding
<b>7e. Legal Issues:</b> Is there land in third party ownership, or access rights, which must be acquired to develop the site, do any restrictive covenants exist, are there any existing tenancies?
None.

<b>7f. Environmental Issues:</b> Is the site located next to a watercourse or mature woodland, are there any significant trees or hedgerows crossing or bordering the site are there any known features of ecological or geological importance on or adjacent to the site?
There is a mature wood to the north and south of the site. There are no ecological or geo-conservational features on or adjoining the site.
<b>7g. Heritage Issues:</b> Are there any listed buildings, Conservation Areas, Historic Parklands or Schedules Monuments on the site or nearby? If so, how might the site's development affect them?
None
<b>7h. Neighbouring Uses:</b> What are the neighbouring uses and will either the proposed use or neighbouring uses have any implications?
A47 trunk road to the south and residential development in Easton. Mature woodland adjoins the site to the north, east and west.
<b>7i. Existing uses and Buildings:</b> are there any existing buildings or uses that need to be relocated before the site can be developed.
None
