Dear Sirs,

Land at Norwich Road, Loddon/Chedgrave, Norfolk

Please find attached a plan of some land owned by my client extending to approximately 4 acres located off the Norwich Road in Loddon/Chedgrave.

I understand that the Council are still taking representations as far as “Call for Sites” are concerned and I would like to submit the following parcel of land to be considered for residential development.

Please also find attached the Call for Sites Application Form, and please accept our apologies for the delay.

By way of some further information, in addition to the complete form:-

Description:

The site is currently agricultural and extends to approximately 4 acres. The site is close by to the existing settlement of Loddon. The site is shown edged red on the plan attached to this letter.

Location:

The site located on the western edge of Chedgrave is a highly sustainable location on the periphery, which itself is only approximately 12km south east of Norwich. Loddon has a range of local services,

including schools, newsagents, butchers, chemist, doctor's surgery, dentists and a wide range of other amenities which make the town a highly sustainable location.

There are regular bus routes into Norwich City Centre from the locality.

Development:

Based upon the area of the land at approximately 4 acres, we would consider that the site could accommodate between 30-35 dwellings of a range of mix and types to suit the local demand and the requirements of the Local Authority.

Delivery:

Assuming planning consent were to be granted on the land, the landowner would be prepared to market and sell the land to a housebuilder for residential development as soon as reasonably practicable after the grant of planning consent and any other associated S106 obligations were agreed.

Expressions of interest have already been received by local residential developers so we believe that there would be strong demand for the site should planning permission be granted as the site lies in a favourable and sustainable location only 12 miles south of Norwich.

Please do not hesitate to contact us should you have any further queries or to discuss the site in any further detail.

Yours faithfully,

T J Mayes
