<b>4a. Current Land Use</b> (Please describe the site's current land use e.g. agriculture, employment, unused/vacant etc.)

<p>International Riding School          The only classical licensed riding school in the country.          Has been used for employment. <p><b>4c. Describe any previous uses of the site.</b> (please provide details of any relevant historic planning applications, including application numbers if known)</p>	
<p>The site was arable before we bought it in 1988. We did a change of use of this site to a riding school. Stables ménages and ancillary buildings put up for the use of the riding school</p>	

<p><b>Proposed Future Uses</b></p>	
<p><b>5a. Please provide a short description of the development or land use you proposed</b></p>	
<p>Because POR 3 has been included as use for commercial building land. This means that our riding school will become untenable. As any building work next door to where our horses are being trained and lessons given will mean that this will be dangerous. Horses are easily spooked. Accidents will be inevitable. Our drive Pine Loke which belongs to us, will be used for the commercial access to POR of which we have apparently no control. Even our address is wrong on these forms. Had to type it in myself.</p>	
<p><b>5b. Which of the following use or uses are you proposing?</b></p>	
Market Housing	Yes
Affordable Housing	Yes
Residential Care Home	Yes
Gypsy and Traveller Pitches	No
Business and offices	Yes
General industrial	No
