Other Relevant Information
13. Please use the space below to for additional information or further explanations on any of the topics covered in this form

- Ideal opportunity for the construction of 5 medium sized bungalows to enable downsizing as referred to above at para 5D
- Natural infill to existing development boundary for residential use which otherwise will lead to a pocket of land becoming landlocked once the schemes with the benefit of planning permission (as referred to above) are completed
- No encroachment into valuable agricultural land (Grade 1 /2) as affecting other potential sites
- No material landscape impact
- Most efficient use of land given its brownfield credentials
- The overall site should have been identified when the submission for GNLP10234 was made.
- In accordance with Central Govt advice a local building firm will develop the site and
- HELAA demonstrates that the site is suitable for development based on the criteria applied to the Huntsman Site to the east (ref GNLP 0277)
- Also conforms with the NPPF Draft Consultation exercise which at Para 69 is seeking seeks sites of 0.5 hectares or under to provide 20% of HLS commitments to help achieve 5YHLS
