**Local Green Space**

If you are proposed a site to be designated as Local Green Space please complete the following questions. These questions do not need to be completed if you are not proposing a site as Local Green Space. Please consult the guidance notes for an explanation of Local Green Space Designations.

**6a. Are you proposing a site to be designated as a Local Green Space?**

No

**6b. Which community would the site serve and how would the designation of the site benefit that community.**

NULL

**6c. Please describe why you consider the site to be of particular local significance e.g. recreational value, tranquillity or richness in wildlife.**

NULL

**Site Features and Constraints**

Are there any features of the site or limitations that may constrain development on this site (please give details)?

**7a. Site Access:** Is there a current means of access to the site from the public highway, does this access need to be improved before development can take place and are there any public rights of way that cross or adjoin the site?

Existing access which would need to be re-located and upgraded for additional traffic movements in and out. The speed limit is 30 mph outside of the site and

beyond the recreation ground. Alternative access could be through adjoining sites if they were also included in the site allocation. It is understood that the sites to the South and East are also being considered for allocation and bringing them all in would give the possibility of improving pedestrian links to the recreation ground to the North of this site.

**7b. Topography:** Are there any slopes or significant changes of in levels that could affect the development of the site?

Level site. Slightly raised from road level.

**7c. Ground Conditions:** Are ground conditions on the site stable? Are there potential ground contamination issues?

No known problems with ground conditions. The dwelling on site is fairly recent and no issues were found with foundations design

**7d. Flood Risk:** Is the site liable to river, ground water or surface water flooding and if so what is the nature, source and frequency of the flooding?

Outside flood risk area from Environment agency mapping

**7e. Legal Issues:** Is there land in third party ownership, or access rights, which must be acquired to develop the site, do any restrictive covenants exist, are there any existing tenancies?

No unless access is from adjoining site allocations

**7f. Environmental Issues:** Is the site located next to a watercourse or mature woodland, are there any significant trees or hedgerows crossing or bordering the site are there any known features of ecological or geological importance on or adjacent to the site?

No

**7g. Heritage Issues:** Are there any listed buildings, Conservation Areas, Historic Parklands or Schedules Monuments on the site or nearby? If so, how might the site's development affect them?

No

**7h. Neighbouring Uses:** What are the neighbouring uses and will either the proposed use or neighbouring uses have any implications?

Residential development to the West.  
Scrubland to the South  
Recreation ground to the North  
Agricultural Land to the East

**7i. Existing uses and Buildings:** are there any existing buildings or uses that need to be relocated before the site can be developed.

One residential dwelling with outbuildings

**7j. Other:** (please specify):

No

#### Utilities

**8a. Which of the following are likely to be readily available to service the site and enable its development? Please provide details where possible.**

Mains water supply	Yes
Mains sewerage	Yes
Electricity supply	Yes
Gas supply	Yes
Public highway	Yes
Broadband internet	Yes
Other (please specify):	NULL

**8b. Please provide any further information on the utilities available on the site:**

It is understood that all services are available in close proximity to the site.

#### Availability

**9a. Please indicate when the site could be made available for the land use or development proposed.**

Immediately

**9b. Please give reasons for the answer given above.**

The site is in clients total ownership with no reliance on third party land

#### Market Interest

10. Please indicate what level of market interest there is/has been in the site. Please include relevant dates in the comments section.

None

#### Comments

No market testing has been carried out

#### Delivery

11a. Please indicate when you anticipate the proposed development could be begun.

Immediately

11b. Once started, how many years do you think it would take to complete the proposed development (if known)?

1 - 2 years from commencement

#### Viability

12a. You acknowledge that there are likely to be policy requirements and Community Infrastructure Levy (CIL) costs to be met which will be in addition to the other development costs of the site (depending on the type and scale of land use proposed). These requirements are likely to include but are not limited to: Affordable Housing; Sports Pitches & Children's Play Space and Community Infrastructure Levy

Yes

12b. Do you know if there are there any abnormal costs that could affect the viability of the site e.g. infrastructure, demolition or ground conditions?

Yes

12c. If there are abnormal costs associated with the site please provide details:

Demolition of the clients dwelling on site prior to commencement of the development

**12d. Do you consider that the site is currently viable for its proposed use taking into account any and all current planning policy and CIL considerations and other abnormal development costs associated with the site?**

Yes

**12e. Please attach any viability assessment or development appraisal you have undertaken for the site, or any other evidence you consider helps demonstrate the viability of the site.**

Demolition costs considered the number of dwellings suggested on site would make this a viable site
