#### Greater Norwich Call for Siles Submission Form

FOR OFFICIAL USE ONLY	
Response Number:	0570
Date Received:	

This form is to be filled out by any interested parties who want to promote a site for a specific use or development to be allocated in the Greater Narwich Local Plan.

Only one form should be submitted for each Individual site i.e. it is not necessary for a separate form to be completed for each long owner on a single site in multiple ownerships. However, a separate form must be completed for each individual site submitted.

Your completed form should be refutned to the Greater Norwich Local Plan team no later than Spm on Friday 8 July 2016.

By email: calforsites Santo.org.uk

Or, if it is not possible submit the form electronically,

By Post to:

Greater Norwich Local Plan Team PO Box 3456 Norwich NR7 7NX

The responses received as part of the Greater Norwich Local Plan Call for Siles will be published and made available for public Mewing. By submitting this form you are consenting to the details about you and your individual site[s] being stared by Notfolk County Council and shared with Broadland District Council. Norwich City Council and South Notfolk District Council, and that the details of the site will be published for consultation pulposes.

Further advice and guidance can be obtained by visiting the Greater Norwich Local Plan website or by contacting the Greater Norwich Local Plan team directly:

## Local Green Space

If you are proposed a site to be designated as Local Green Space please complete the following questions, These questions do not need to be completed if you are not proposing a site os Local Green Space. Please consuit the guidance notes for an explanation of Local Green Space Designations.

6a. Which community would the site serve and how would the designation of the site benefit that community.

6b. Please describe why you consider the site to be of particular local significance e.g. recreational value, tranquillity of richness in wildlife.

## Site Features and Constraints

Are there any features of the site or smitations that may constrain development on this site (please give details)?

7a. SIe Access: Is there a current means of access to the sire from the public highway, does this access need to be improved before development can take slace and are there any public rights of way that cross or adjoin the site?

Recently improved access with right turn lane from the outer ring road

7b. Topography: Are there any stopes or significant changes of in levels that could affect the development of the site?

No

7c. Ground Conditions: Are ground conditions on the site stable? Are there aptential ground contamination issues?

Stable ground conditions with no contamination issues

7d. Flood Risk: is line site liable to river, ground water or surface water flooding and if so what is the nature, source and frequency of the flooding?

No flood risk issues

7e. Legal Issues: Is there land in third party ownership, ar access rights, which must be acquired to develop the site, do any restrictive covenants exist, are there any existing tenancies?

None

71. Environmental issues: is the site located next to a watercourse or mature woodland, are there any significant trees or hedgerows growing or bordering the site are there any known features of ecological or geological importance on or ediacent to the site? None that we are aware of. The site adiolns Mousehold Heath however there are no arboriculturalissues concerning nearby trees which could not be accommodated 7a. Heritage Issues: Are there any listed buildings Conservation Areas. Historic Portiands or Schedules Manuments on the site or nearby? If so, how might the site's development offect them? Mousehold Heath adjoins the site 7h. Neighbouring Uses; What are the neighbouring uses and will either the proposed use or neighbouring uses have any implications? Only as 71 and 70 above 7). Existing uses and Buildings: are there any existing buildings or uses that need to be relocated before the site can be developed. Yes existing temporary portacabins 7j. Other: (please specify):
