Introduction

Due to the size of the Greater Norwich Local Plan area the policies map is split into three separate booklets:

- Broadland
- Norwich
- South Norfolk

Plans to be superseded by the Greater Norwich Local Plan:

- The Joint Core Strategy for Broadland, Norwich and South Norfolk (2011 and subsequently readopted 2014)
- Broadland Site Allocations Development Plan Document (2016)
- Norwich Site Allocations and Site-Specific Policies Local Plan Document (2014)
- South Norfolk Local Plan Site Specific Allocations and Policies Document (2015) Plans to be carried forward and used in conjunction with the Greater Norwich Local Plan:
- [Old Catton, Sprowston, Rackheath & Thorpe St Andrew Growth Triangle Area Action Plan \(2016\)](#)
- [Long Stratton Area Action Plan \(2016\)](#)
- [Wymondham Area Action Plan \(2015\)](#)
- [Broadland Development Management Policies Document \(2015\)](#)
- [Norwich Development Management Policies Document \(2015\)](#)
- [South Norfolk Development Management Policies Document \(2015\)](#)

In addition, there are 7 qualifying bodies in Broadland which have designated their neighbourhood area and 11 in South Norfolk. This means they have committed to developing a neighbourhood plan. There is also one neighbourhood area designated within Norwich. Of the places preparing neighbourhood plans, two in Broadland have been approved by the local authority to proceed to a referendum. These are in Spixworth and Taverham scheduled for May 2021. However, these plans do currently have significant weight in the planning process. At least two further Neighbourhood Plans are well-advanced, those in Long Stratton and Poringland. Subject to their being approved following an examination and referendum, it is anticipated these could be made by mid-2021

The allocations shown in this Policies Map WILL be replaced by the proposed Greater Norwich Local Plan. The Development Management Policies (shown from the NCC Development Management DPD) are NOT replaced by the proposed Greater Norwich Local Plan.
