

**Broads Authority response to Greater Norwich Local Plan examination  
Matters, Issues and Questions part 1.  
January 2022**

**Matter 8 Strategic Growth Areas Allocations**

**Issue 1 East Norwich Strategic Regeneration Area**

- The map on page 100 needs to show the part of the utilities site in the Broads Authority Executive Area. The preceding text talks about looking at the area as a whole, but the area shown on the map is incomplete because it does not show the part in the Broads Authority Executive Area.
- Policy 7.1, page 105, there needs to be some acknowledgement in this policy, even if it is a footnote, to say that part of the Utilities site is in the Broads and that the entire area is being considered together, regardless of local planning authority administration boundaries.
